

WITTY'S GREAT ADVENTURE

CHAPTER 2

**One of the creatures
steps out from the crowd.
It is BIG! It is so big that
Witty felt very tiny.**

**The creature lowers its head
and gives Witty a wide grin.**

**"I am No Arms.
Chief of Limbless Bugs.
Who are you?"**

It whispers into Witty's ear.

**Witty replies in a shaky voice,
"I am Witty, a space cat."**

**“We dislike space cats.
They are bad!” it roars and
swallows Witty in one gulp.**

An illustration of a brown, worm-like creature with a long, curved body diving into dark blue water. The creature is shown in mid-air, with its head and front legs tucked in. The water is splashing around the point of entry, with several blue droplets and bubbles. The background is a dark brown, textured surface, possibly a cave or a forest floor, with some brown, angular shapes that look like rocks or stalactites.

**No Arms, with Witty in its stomach,
dives right into the dark blue waters.**

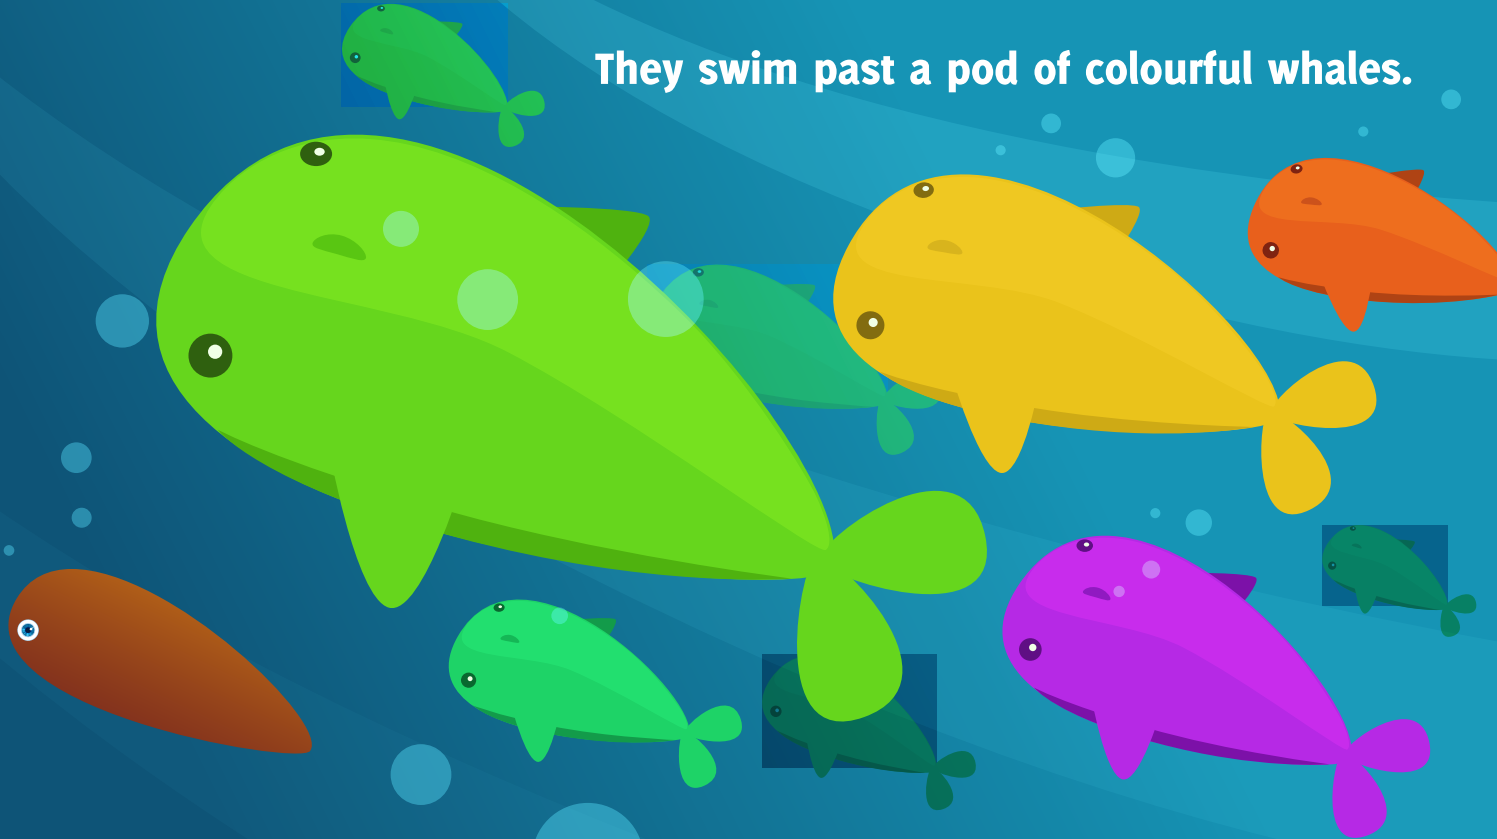

**"Where are you taking me?" shouts Witty.
No Arms ignores Witty and continues to swim.**

**As it becomes brighter,
Witty could see their surroundings.
They swim over a shoal of one-eyed jellyfish.**

They swim past a pod of colourful whales.

**No Arms swims faster and faster.
Then with a great splash, they break the surface of the ocean.**

**Along the horizon, Witty could see that
No Arms is swimming towards an island.**

**No Arms flings Witty out of its stomach.
"Good bye and good riddance"**

**Witty is shot into the sky,
over the stretch of ocean
and lands on the beach.**

**WELCOME TO
GOODIES ISLAND
HOME OF EVIL SWEETNESS**

He stands to look around
and sees a wooden sign.

What will Witty see?
