

# WITTY'S GREAT ADVENTURE

CHAPTER 3

**Witty walks along the beach.  
He sees a lot of tiny red dots.**

**On closer look, they are tiny gum drops.**

**Witty follows the gum drops until he reaches a small opening.**

A vibrant, cartoon-style illustration of a ginger cat with large, expressive eyes and a light blue shirt. The cat is standing in a lush green field filled with various candies, including round lollipops with swirl patterns and rectangular candies with faces. The cat is holding a large, striped candy with a face in its right hand. The background is a bright green, suggesting a jungle or a magical land of sweets. The overall scene is cheerful and whimsical.

He enters the jungle and sees  
a lot of interesting things.

**Witty hears a strange sound.  
Hiding behind the bushes,  
Witty sees a campfire.**

Suddenly a warrior appears  
behind Witty and captures him!

**The Muffin Warrior ties Witty and then gives a loud shout.**

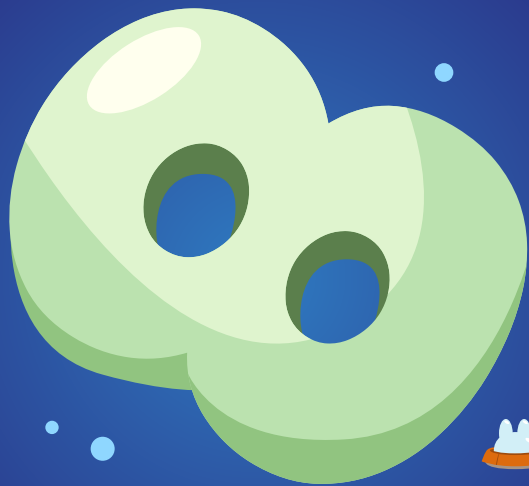

**"Warriors! Take this prisoner to the village!"  
and three warriors begin to march.**

Halfway to their village, a figure jumps out.  
"Release the prisoner, or I will melt you!"

The warriors drop Witty and run off.  
The white rabbit unties Witty.

**"I'm Miz, a space rabbit  
from Planet Maths."**

**“Hurry! We must go before  
more warriors come back.”**

**"The only way to escape  
Goodies Island is to go  
to Mountain Choco."**
